SPECIAL LIMITED SALE

YELLOW WINTER PACKAGE MEMBERSHIPS

We have available for purchase a limited number of 2-bedroom/2-bathroom and 3-bedroom/3 bathroom yellow winter package memberships at exceptional prices while supplies last.

Individual 2-bedroom/2-bathroom yellow weeks are normally priced at £1,250 each, but five week “winter packages” are now offered at only £5,500 plus an administration fee of only £350.

Individual 3-bedroom/3-bathroom yellow weeks are normally priced at £1,750 each, but five week “winter packages” are now offered at only £6,500 plus an administration fee of only £350.

Members who own winter packages enjoy five weeks holiday but only ever pay dues on three of the five weeks. The only proviso is that the weeks are held in the same ownership as an integral package of five.

The winter package memberships are extremely flexible. For example, the weeks can be booked in any of the following ways:

Five continuous weeks, any combination of yellow weeks to make up an annual total of five, two or more villas in one week, or booking for exchange to visit other 5-star resorts world wide.

Once purchased, winter package memberships can be booked every year until at least the year 2064, subject to payment of the annual dues on three of the weeks.
