

Dear member,

We have just been informed by the golf administration the new system to make golf reservations, as a new software system has been installed.

They will only accept bookings through the on line system, no bookings made by telephone, email or at the golf reception will be accepted.

In order to get the special owners and residents rates when you are staying at La Quinta, you need to download and fill in the [excel form](#) with the details of all the players of your party and send it to us by email to reception@laquintaclub.com as soon as possible or at least 2 months before your arrival, with the following details:

- Full Name & surname of all players, specifying the two owners
- Date of birth
- e-mail
- Arrival date to La Quinta
- Departure date from La Quinta

Once you are registered in the golf admin, then exactly one month before you wish to book you can do it by following the below steps:

1. Click [here](#) to renew your password.
2. Write your email address and in a few seconds you will receive an email, where you will write your new password.
3. Click Sign in or "Enter" located in the upper right corner.
4. Register with your email and new password.
5. Start browsing and enjoy online offers

lamanga.golfmanager.com/consumer/login

At the time of booking payment will be required, 48 hours free cancellation apply

Using this new section you will be able to:

- Make on-line reservations as a member or as a visitor
- Sign up for tournaments or events
- Book lessons and other activities

Please note that the earliest you can make bookings is one month in advance

Golf team (golf.lamangaclubresort.grand@hyatt.com) will assist you during this process in case of any further information

Best regards

La Quinta Management
